**RE: CORRECTION LETTER #1**  
**Development Permit Application Number D04-425**  
**Container Properties LLC – 9229 East Marginal Way South**

Dear Jeff:

This letter is to inform you of corrections that must be addressed before your development permit(s) can be approved. All correction requests from each department must be addressed at the same time and reflected on your drawings. I have enclosed comments from the Public Works and Planning Departments. At this time, the Building and Fire Departments have no comments.

**Planning Department:** Brandon Miles, at (206) 431-3684, if you have questions regarding the following:

1. The Planning Department is withholding comment until the Planned Action SEPA is completed.

**Public Works Department:** L. Jill Mosqueda, at (206) 431-2449, if you have questions regarding the attached memo.

Please address the attached comments in an itemized format with applicable revised plans, specifications, and/or other documentation. The City requires that four (4) complete sets of revised plans, specifications and/or other documentation be resubmitted with the appropriate revision block.

In order to better expedite your resubmittal, a 'Revision Submittal Sheet' must accompany every resubmittal. I have enclosed one for your convenience. Corrections/revisions must be made in person and will not be accepted through the mail or by a messenger service.

If you have any questions, please contact me at (206) 433-7165.

Sincerely,

Stefania Spencer  
Permit Technician
